 - i. All decorations belonging to H&S are labeled, put in boxes & will be stored in H&S closet
 - ii. Some committee members didn't turn in receipts
 - iii. *Things to discuss with Dr. Nardi for next year:*
 - 1. *Kids should not be allowed to go outside. Perhaps draft a letter to go home to families stating the rules and/or consequences if kids the leave the school/go outdoors.*
 - 2. *The doors to the stage need to be closed prior to the middle school dance.*
 - 3. *Separating H&S from the middle school dance and they only do the family party. Parents of middle school chaperone/run the dance?*
 - a. *Middle school parents need to help with clean up if they take on the dance portion.*
 - iv. *Other things to note:*
 - 1. *James Summerville offered to DJ in the future*
 - 2. *Games-pumpkin "hall of fame" did not happen. No one received a prize as it was listed on the flyer. This should be separate from*

games in the future. It would be easiest to have goodie bags at the check-in table. Anyone who brings in a pumpkin, give them a bag.

3. Costume Contest—there was no knowledge of who was responsible for this so Michele Konrad just took it on since she was on the spot; perhaps have someone coordinate just this and the pumpkin “hall of fame”. Suggestion was made to put a voting box with slips by the pumpkins. Or we could give everyone a slip when they check in at the entrance and tell them to fill it out and drop it in the box by the pumpkin table.
4. Craft area—we need shifts of people to supervise this area. It’s a long time for one person to sit there all night. 30 minute shifts would be sufficient so that everyone gets a chance to spend the majority of their evening enjoying the party with their family.
5. Rule of thumb going forward=plan for 250 people when it comes to attendance. This year there were about 235. In 2017 there about 260.
6. Suggestion was also made to check with Luigi’s for next year to cater the food.

c. Magazine Sale Update

- i. Another message will be sent to Mary Petrie to put in the church bulletin. The sale will run through the end of the year.

d. Uniform Closet is “open for business”

- i. Suggestion made to have the office send out an announcement that it is officially “open for business” for people to shop year-round.
