

Home and School Organization Meeting Minutes

Monday, September 14, 2020 6:30 p.m.

Attendees: Natalie Kohlhagen, Jen Lefeber, Allie Schmitt, Judy Summerville, Jena Beninghaus

- I. Opening Prayer
- II. Financial Report (Jen Lefeber)
 - a. Expenses/Deposits
 - i. \$6,508 was moved to the Playground Fund at the end of the 2019-20 school year
 - ii. Uniform sale deposit=\$1,705.77
 - b. Current Balance=\$2,532.77
- III. New Business
 - a. Blue Harbor Family Night
 - i. *Due to restrictions put out by the Archdiocese, we are not able to hold school-sponsored events at this time, even if they are off-campus. So the October 9th date had to be canceled. We still have February 11th on hold with Blue Harbor, should things change by then.*
 - b. Uniform Sale
 - i. *Jen will be working on getting checks out to sellers over the next 2 weeks*
 - ii. *Anything extra from the uniform sale will be put into the playground fund to balance that account*
 - c. Cherrydale/Hansen's Pizza Fundraiser: Friday September 11-September 28
 - i. *Please help spread the word so we can maximize the profit for our school. Home & School is only able to sponsor this fundraiser and then the fruit sale in the spring. So we will need all the help we can get!*
 - ii. *Delivery will be sometime the week of October 26th. Once we get the date from Cherrydale, we'll send out a message to families asking for some volunteers to help unload the truck and distribute to families after school.*
 - d. Family functions/ways to keep families and students involved
 - i. *Suggestions include: Scavenger hunt around town for families, pumpkin and/or costume contest (posted to social media), dodgeball tournament (using a non-school sponsor), dress up days for students*
 - ii. *We will continue to explore all of these ideas and have more discussion on them*
 - e. Feasting for Funds

- i. Jena offered for Superior Bar & Grill to do a night (or a few nights) in October*
 - ii. We will ask Jamie if she is willing to take this on this year*
- f. Bulletin Board at St. Dominic
 - i. There is a bulletin board at St. Dominic that we can use to post anything related to Home & School. This would be a great way to keep parishioners informed and encourage participation in future events and fundraisers. Dr. Nardi will let us know when it's ready for us to use.*
- g. Collectibles
 - i. Continue to spread the word that people can still turn in box tops if they have the clipped box tops.*
 - ii. Encourage people to download the Box Tops for Education App to upload receipts so that Seton gets the proceeds from all eligible purchases. Make sure you select our school as the organization to receive the funds.*
 - iii. People should also continue to turn in plastic bottle caps from Coca-Cola products and codes from inside the 12 & 24 packs. We enter them online for cash for our school.*
- h. Playground Updates (Natalie Kohlhagen/Jamie Gassner)
 - i. The first phase of the playground project has been completed.*
 - ii. The next and final phase will include swings, a climbing structure and two other stand-alone pieces. We have the quotes for everything. Now we just need to raise the money since we are back at \$0 after the first phase. The next phase will cost somewhere around \$15,000.*

IV. Closing Prayer

Next Meeting: October 12, 2020, 6:30pm at Pacifico Mexican Bar & Grill
